PUBLIC HEALTH AGENCY ORDER # 2020 – 04 CHAFFEE COUNTY PUBLIC HEALTH ORDER RELATED TO COVID-19

EFFECTIVE IMMEDIATELY

*** THIS ORDER SHALL RESCIND AND REPLACE ALL PREVIOUS ORDERS ***

Pursuant to Colo. Rev. Stat. § 25-1-506 and other applicable authority, this Order sets forth guidance and requirements for, as well as limitations on, group gatherings to slow the spread of the COVID-19 virus.

On January 30, 2020, the World Health Organization (“WHO”) declared the worldwide outbreak of COVID-19 a “public health emergency of international concern.” On January 31, 2020, the United States Department of Health and Human Services declared the virus a public health emergency.

On March 10, 2020, the Governor of Colorado declared a state of Emergency related to the presence of COVID-19 in the State. The Colorado Department of Public Health and Environment has confirmed that COVID-19 continues to spread throughout the State of Colorado.

On March 11, 2020, WHO declared COVID-19 a pandemic, pointing to the sustained risk of further global spread.

On March 13, 2020, Chaffee County (“County”) declared a Local Disaster Emergency related to COVID-19. Pursuant to Resolution 2020-29, the County ratified and extended this Local Disaster Emergency pursuant to a meeting of the Chaffee County Board of County Commissioners (“BoCC”) on March 17, 2020.

On March 13, 2020, the President of the United States declared a National Emergency due to COVID-19.

On March 16, 2020 the President of the United States issued new guidelines to help protect American’s during the COVID-19 pandemic, which includes: avoiding discretionary travel, gathering limited to 10 or less people, use of drive through and pick up delivery options, and telecommuting for work and school.

On March 16, 2020, Colorado Department of Public Health issued a public order starting, on March 17, that for 30 days all bars, restaurants, theaters, gyms and casinos, are closed with certain exception for take-out and delivery services for restaurants.

Chaffee County Public Health (CCPH) anticipates that, due to the contagiousness of the illness and the fact that numerous travelers from around the world visit the county, Chaffee County will see cases of the virus and its transmission within the community. Developing social distancing policies prior to an extensive outbreak has been a proven means of helping to contain COVID-19 outbreaks.

On March 17, 2020, CCPH issued its first Public Health Order to limit COVID-19’s transmission with the community by limiting the size of events, closing restaurants, bars, theaters, gyms and closing short-term rentals, hotels and other similar facilities.

On March 19, 2020, Colorado Department of Public Health (CDPHE) issued Public Order 20-23, which implemented additional social distancing measures, such as: limiting all mass gathering (including

community, civic, public, leisure, faith-based events, sporting events with spectators, concerts, conventions, fundraisers, parades, fairs, festivals, and any similar event or activity) to no more than ten people. Public Order 20-23 made exemptions for governmental agencies, transportation stations, health care facilities, grocer/retail stores, pharmacies, government buildings and factories.

On March 19, 2020, CCPH issued its second Public Health Order to limit COVID-19's transmission with the community by closing non-essential businesses, limiting the size of events, closing restaurants, bars, theaters, gyms and closing short-term rentals, hotels and other similar facilities.

On March 25, 2020, the Governor of Colorado issued Executive Order 2020-17, ordering Coloradans to stay at home due to the presence of COVID-19 in the State of Colorado, with certain directives and directed CDPHE to issue a public health order consistent with the directives of Executive Order 2020-17.

On March 25, 2020, CDPHE issued Public Order 20-24, which implemented stay at home requirements, including but not limited to ordering: people to Stay at Home whenever possible, limiting all public and private gatherings occurring outside regardless of the size, limiting travel, and closing all businesses except Critical Businesses.

On March 26, 2020, CCPH issued its third Public Health Order to limit COVID-19's transmission implementing stay at home requirements, directing visitors to go home, limiting all public and private gathering occurring outside regardless of the size, limiting travel and closing all Non-Critical Businesses.

On April 6, 2020, The Governor of Colorado Amended Executive Order 2020-17. The Amended Executive Order extended the requirements for Coloradans to stay at home to April 26, 2020, clarifying what activities Coloradans are allowed to engage in and emphasizing that local public health authorities have the authority to issue a more protective public health order than the Governor's Executive Orders.

As of April 9, 2020, Chaffee County has 39 confirmed positive tests and three deaths associated with COVID-19.

CCPH recommends that without appropriately responding to the illness, including, requiring people to Stay at Home whenever possible, implementing social distance requirements, limiting travel to Necessary Travel, cancelling and postponing public events, closing businesses (except Critical Businesses), closing hotels, motels and short-term rentals, restricting all social gatherings, numbers of cases within Chaffee County will rise which may result in serious illness or death for certain members of the community, and will have the effect of interrupting the functioning of the community, will overwhelm the capacity of the local health care system and the ability to respond to the COVID-19 pandemic. Additionally, a large surge in the number of persons with COVID-19 can compromise the ability of the healthcare system particularly in the high-country counties currently affected by community transmission to deliver necessary healthcare to the public.

There is clear evidence that some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings promote transmission of COVID-19. COVID-19 also physically contributes to property loss, contamination, and damage due to its propensity to attach to surfaces for prolonged periods of time.

The scientific evidence also shows that at this stage of the emergency, it is critical to slow transmission as much as possible to protect the most vulnerable and to prevent Colorado's health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable and increase the distance between people in the work environment. This Order helps to reduce the property damage caused by COVID-19 and preserves the welfare of our residents by reducing the spread of the disease in our communities and our workplaces, and preserving critical emergency and healthcare capacity in the State.

The limitations on people's activities, business activities, large gatherings and use of social distancing decreases the risk of COVID-19 transmission to our most vulnerable populations and is especially important for people who are over 60 years old and those with chronic health conditions due to their higher risk of severe illness and death from COVID-19. This Order will reduce the likelihood that many individuals will be exposed to COVID-19 at a single event and will therefore slow the spread of COVID-19 in our communities.

This Order is adopted pursuant to the legal authority set forth in sections 25-1-506 and 25-1-508, Colorado Revised Statutes. Under these laws, the Chaffee County Public Health Director has the duty to investigate and control the causes of epidemic or communicable diseases and conditions affecting public health and to establish, maintain, and enforce isolation and quarantine, and in pursuance thereof, and for this purpose only, to exercise physical control over property and over the persons of the people within the jurisdiction of the agency as the agency may find necessary for the protection of the public health.

This Order mirrors many of the requirements of CDPE's March 25, 2020 Public Health Order 20-24 implementing stay at home requirements. Nothing in the Governor's Executive Order 2020-17 or CDPHE Public Health Order 20-24 prevents a local public authority from issuing an Order more protective of public health. Any restrictions in this Order that are more protective of the public health and welfare will prevail over any state Executive or CDPHE order that are less protective of the public health and welfare.

This Order shall apply to all unincorporated areas of Chaffee County, Colorado and all incorporated (municipal) areas that do not have their own public health agency: City of Salida, Town of Poncha Springs and Town of Buena Vista.

ORDER

1. STAY AT HOME

- a. All individuals currently living within Chaffee County are ordered to Stay at Home whenever possible. Individuals living in shared or outdoor spaces must at all times, to the greatest extent possible, comply with **Social Distancing Requirements**, and may leave their Residences only to perform or utilize **Necessary Activities, Minimum Basic Operations, Critical Government Functions, Necessary Travel or Critical Businesses**. Individuals are strongly encouraged to limit shopping for groceries to one time a week. Visitors and second home owners that are not primary residents of Chaffee County are directed to return home immediately because the County has limited health and safety resources to meet local COVID-19 demands.
- b. All public and private gatherings of any number of people occurring outside a **Residence** are prohibited, except for the limited purposes expressly permitted in this Order which include **Essential Activities**. Nothing in this Order prohibits the gathering of members living in the same **Residence**.
- c. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their **Residence** at all times except as necessary to seek medical care.
- d. Individuals experiencing symptoms of COVID-19 must self-isolate until their symptoms cease or until they have a negative test result. Due to limited testing availability and narrow criteria for testing, if an individual has tested positive for COVID-19 and/or has developed symptoms of COVID-19, including early or mild symptoms (such as cough and shortness of breath), they should be in isolation (staying away from others) until they have had no fever for at least seventy-two (72) hours (that is three full days of no fever without the use of medicine that reduces fevers), other symptoms have improved (such as cough or shortness of breath) and at least seven (7) days have passed since symptoms first appeared.
- e. Individuals who have engaged in out of county **Non-Necessary Travel**, shall self-quarantine (staying home and away from others) for at least seventy-two (72) hours or until they have a

negative test result or if the individuals' experiences symptoms, they must follow the requirements of 1d.

- f. People experiencing homelessness are strongly urged to obtain shelter and entities are strongly urged to make shelter available as soon as possible and to the maximum extent practicable. People experiencing homelessness must comply with **Social Distancing Requirements**, at all times.
- g. All travel, including, but not limited to, travel by automobile or public transit or pedestrian or self-propelled travel, such as bicycling, except **Necessary Travel** is prohibited. People must use public transit only for purposes of performing **Necessary Activities** or to travel to and from work to operate Critical Businesses or maintain **Critical Governmental Functions**. People riding on public transit must comply with **Social Distancing Requirements**, to the greatest extent feasible.

2. BUSINESS REQUIREMENTS

- a. **Critical Businesses**, as defined below, are exempt, subject to certain limitations, from this Order and are encouraged to remain open. **Critical Businesses** must comply with **Social Distancing Requirements** at all times and implement tele-work or other strategies, such as staggered schedules or re-designing workplaces, to create more distance between workers unless doing so would make it impossible to carry out critical functions. **Critical Businesses** that serve the public such as grocery stores and other Critical Retail shall comply with **Social Distancing Requirements** at all times including, but not limited to, when any customers are standing in line.
- b. To successfully contain the spread of the virus, all employers and individuals must observe **Social Distancing Requirements** at all times and to the greatest extent possible.
- c. All businesses required to close down their in-person work under this Order may continue to carry out **Minimum Basic Operations** as defined below. Businesses that can continue to operate through work at home arrangements with their employees are encouraged to do so.
- d. Child care facilities providing services exempted in this Order must, to the extent possible, operate under the following mandatory conditions: (1) child care must be carried out in stable groups of 10 or fewer ("stable" means that the same 10 or fewer children are in the same group each day); (2) children shall not change from one group to another; (3) If more than one group of children is cared for at one facility, each group shall be in a separate group. Groups shall not mix with each other; (4) child care workers shall remain solely with one group of children. To the extent possible, child care shall be performed in compliance with **Social Distancing Requirements**.

3. DEFINITIONS

- a. **Necessary Activities**. For purposes of this Order, individuals may leave their Residence only to perform any of the following **Necessary Activities**, provided they comply at all times and to the greatest extent possible with **Social Distancing Requirements** below. People at high risk of severe illness from COVID-19 and people who are sick, however, must not leave their **Residence** except as necessary to receive medical care. **Necessary Activities** include:
 - i. Engaging in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members, including, but not limited to, pets and livestock, such as, by way of example only and without limitation, obtaining medical supplies, walking your dog, feeding barnyard animals, obtaining durable

- medical equipment, obtaining medication, visiting a healthcare professional, or obtaining supplies they need to work from home.
- ii. Obtaining necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, food, pet supply, other household consumer products, and products or equipment necessary to maintain the safety, sanitation, and essential operation of a Residence.
 - iii. Chaffee County residents who are engaging in outdoor activity, such as, by way of example and without limitation, walking, hiking, nordic skiing, snowshoeing, biking or running. For purposes of outdoor activity, parks will remain open to the public to engage in walking, hiking, biking, running, and similar outdoor activities but all playgrounds, picnic areas, tennis courts, basketball courts and other similar areas conducive to public gathering, and attended areas shall be closed. Additionally, the permitted outdoor activities in this Order do not include any activities that would violate the **Social Distancing Requirements** as defined below. As an example, golf, disc golf, basketball and other sports that can be played individually are allowed if no equipment is shared and it does not violate **Social Distancing Requirements**. However, the use of any shared equipment or facilities, such as golf carts or clubhouses, and league or tournament play is prohibited. Recreational facilities and outdoor activities are deemed **Necessary Activities** only for Chaffee County residents.
 - iv. Performing work providing essential products and services for a **Critical Business** or **Critical Government Function** as defined below, or to otherwise carry out activities permitted in this Order.
 - v. Caring for a family member, a vulnerable person, or pet in another household, or to care for livestock kept at a location other than an individual's Residence.
- b. **Necessary Travel.** For purposes of this Order, travel is Necessary for any of the following purposes: (1) providing or accessing **Necessary Activities, Minimum Basic Operations, Critical Government Functions**, and **Critical Businesses**; (2) receiving materials for distance learning, for receiving meals, and any other related services from educational institutions; (3) returning to a place of **Residence** from outside the jurisdiction; (4) travel required by law enforcement or court order; (5) non-residents returning to their place of **Residence**.
- c. **Critical Business.** Any business, including any for profit or non-profit, regardless of its corporate structure, engaged in any of the commercial, manufacturing, or service activities listed below, may continue to operate as normal. **Critical Businesses** must comply with the guidance and directives for maintaining a clean and safe work environment issued by the CDPHE and CCPH. **Critical Businesses** must comply with **Social Distancing Requirements** and all Orders currently in effect to the greatest extent possible and will be held accountable for doing so. **Critical Businesses** do NOT include health clubs as defined in C.R.S. § 6-1-102(4.6), fitness and exercise gyms, and similar facilities, or any of the other businesses required to close by CDPHE's State Public Health Order 20-22, such as bars, taverns, pubs, cigar bars theaters, and concert halls.
