Dear Ms McCollum/Mr Weiser/Mr Finegan,

Re: Death in suspicious circumstances of British National Christian James GLASS – our ref CON-2166914

It has come to our attention that Christian James GLASS - a British national – has died in suspicious circumstances in Clear Creek County, Colorado.

We take these types of cases extremely seriously – as we know you do. Supporting British nationals around the world is one of the UK Government's global priorities and in cases such as these we are required to regularly report to London with information on the progress of these types of cases.

With this in mind I would be most grateful for:

- Any updates on the progress of this specific case which we can pass onto the family of the victim as well as our Ministers in the UK.
- A contact in your office that I or a designated Consular official can liaise with to obtain updates on the progress of this case.

I am your point of contact on this case. My phone number is 312 970 3826, email: eileen.dunne@fcdo.gov.uk. I will follow up with you in the next few days if I do not receive a response to this email.

Many thanks for all your work on this case and for the support you provide to British nationals who get into difficulty in Clear Creek County, Colorado.

Yours sincerely,
