INITIAL INFORMATION

On February 20th, 2024, at approximately 06:45 hours, dispatch advised Rifle Police of a trespass that had occurred at [REDACTED]

Roscely Alvarado (DOB 04/24/1995) advised dispatch someone had broken into her parked car at approximately 22:00 hours and took her wallet containing her Alpin Bank Debit Card, Colorado Driver's License, and [REDACTED] social security card.

INVESTIGATION

At approximately 08:33 hours, I Officer A. Herrera, contacted Roscely via phone call. It should be known that Roscely is Spanish speaking, and all our interaction were conducted in Spanish.

I summarized to Roscely what dispatch informed me prior to me calling her. Roscely advised me it sounded correct. I asked Roscely if she knew how much money was stolen on her credit card.

Roscely began telling me the locations the trespasser used her debit card after her car was broken into.

The first place they went was the Kum N Go on the 100 block of East 26th street at approximately 23:58 hours.

At approximately 03:31 hours they drove to the Loves gas station in Parachute, Colorado. At 04:55 hours they drove back to the McDonalds on Taughenbaugh Blvd. At approximately 05:55 hours they used the card again at the Kum N Go right next to McDonalds.

Roscely did advise her card was attempted to be used online on Shein.com for a total of \$717.00 but the bank was able to reject the payment and no money was stolen during that attempt. She noticed the attempt at approximately 07:14 hours.

I asked Roscely if she was available to meet in person so I could be able to take photographs of her vehicle and see the transaction on her phone. Roscely advised she was available to meet in person and she was currently working at the Brenden Movie Theater as their cleaner.

I advised Roscely I would be there in five-minutes, and I would call her when I arrive. I also advised her it would be best if while she waits for me, she begins calling her banks and cancels any card she believes could have been stolen.

Roscely stated the bank automatically locked her account and it was all taken care of. I asked her if by any chance, she had cash that could have been stolen. Roscely stated there was no cash but

was very worried because her baby [REDACTED] social security was inside and taken with the wallet.

At approximately 08:47 hours I contacted Roscely outside the Brenden Movie theater, and she was able to show me all the completed and failed transactions. I asked her if she would be okay with me taking pictures of the transactions. Roscely gave me consent to take pictures.

Below will be the transactions as I read them on Roscely's Alpine Bank app:

- **Charge on 02/19 23:58 CST at KUM&GO 0922R Rifle, RIFLE, CO on card ending in [REDACTED]**
- **Charge on 02/20 04:24 at LOVE'S #826 Inside, Parachute, Co on card ending in [REDACTED]**
- **Charge for \$26.87 on 02/20 05:48 CST at MCDONALD'S F7316, RIFLE, CO on card ending in [REDACTED]**
- **Charge on 02/20 05:55 CST at KUM&GO 4923R RIFLE, RIFLE, CO on card ending in [REDACTED]**
- **Denied Charge for \$717.00 on 02/20 07:14 CST at SHEIN.COM, 137-2105366, DE. Denied due to card issuer Rejection on card ending in [REDACTED]**

End of charges-

I advised Roscely the actions I would take to moved forward and that a report would be started. Roscely stated she was very worried about her driver's license because it took her very long to get one, to have somebody steal it very easily. I advised her I would do the best I could to find the trespasser and attempt to get her license back.

I asked Roscely where her car was. She asked me to follow her, and I began taking pictures. I did not observe any visible damage or marks of a forced entry inside of her vehicle.

I provided Roscely with my business card that had the incident number on the back. She was advised if she has any more information, to please reach out and give me a call.

I cleared form the scene and began contacting all locations the card was used, starting with Kum & Go on east 26th street.

At approximately 09:04 hours I arrived at the east 26th street Kum & Go and contacted the manager who was able to find the time and date that the card, ending in the last four digits of [REDACTED] was used.

The manager advised there was nobody in her store at the time of 23:58. She stated she began to go through transactions that were close to that time, because sometimes the time it gives the owner of the card is different from when the transaction got accepted.

She was able to find the transaction with the last four digits ending in [REDACTED] at approximately 22:53 hours. She was correct on the part where the person using the card never walked in the store.

They did use Roscelly's card on outside pump #16 and refueled a total of \$81.24 worth of diesel fuel. As I was watching the camera footage, it appeared the trespasser was driving a pickup truck with the body appearance of a Ford F-250.

The manager was available to pull up the receipt and it showed the date, time, pump #, type of fuel, and total amount spent from the card number [REDACTED]. I took pictures of the pickup truck as well as the receipt.

On February 21st, 2024 at approximately 08:00 hours I continued with the investigation and contacted Roscelly via phone call. I asked Roscelly if she knew or could think of any person that would have a motive to go after her directly or knew she left her wallet in her car.

Roscelly stated she did not have anybody in mind. She did tell me that on February 20th, 2024, at approximately 17:20 hours her card was used again at the Rifle Starbucks, located inside the City Market. The person attempted to use \$10.95 but was rejected.

Shortly after my phone conversation with Roscelly, I continued where I left off the day before and called the Parachute, Loves truck stop at approximately 08:09 hours. I advised the employee who I was and what I was working on. I asked her if she or a manager could help me review camera footage, possibly capturing the suspect using Roscelly's card.

The employee transferred me over to her manager. I spoke with Brent who was informed of the situation and my reason for the contact. I provided Brent with a date of 02/20/2024, and a time between 04:20 to 04:25 hours.

Brent stated he would be able to review and share camera footage of the times I provided. I also provided him the last four digits of the card, [REDACTED] to narrow down his search. I asked Brent if he could give me a call back on my company provided phone if he receives or finds any information.

At approximately 09:05 hours, I conducted a follow up investigation at McDonalds in attempt to review possible camera footage of when the Roscelly's card was used. I spoke with the manager, and I informed her of the case I was investigating.

The manager escorted me to her back office and showed me the angles her indoor cameras capture. She also informed me if my suspect went through the drive through, the camera would

not have caught a plate or vehicle description because the drive thru only records live for taking orders.

I asked the manager if by chance she would be able to use Roscelly's last four card digits to find an exact amount that was purchased from the card. The manager stated she should be able to do that and requested my business card. I provided her all my information with a business card, and she let me know she would email me directly when she is able to locate the transaction.

I cleared form the McDonalds and drove to the Kum & Go next door on Taughenbaugh at approximately 09:24 hours. I asked a store associate if there was a manager I could speak to. The manager called me over behind the register. I informed her of my reasoning for the visit and asked if she would be able to let me review camera footage as well as receive a printed copy of the receipt for the items bought using Roscelly's card.

The manger stated she could look up camera footage. She first began by attempting to find when the card was swiped. She stated if she can find the exact time, finding the video footage would be more accurate.

After several minutes of searching, she was eventually able to find the transaction from card ending in [REDACTED]. The card was swiped at 04:55 hours on February 20th, 2024. They bought one Cool Blue Gatorade that cost a total of \$3.43. The drink was purchased on cash register #2.

The manager printed me a copy of the receipt for my case. She proceeded to use the time the card was used, and we were able to observe what appeared to be a white female, black hair, black hoodie, black pants, and white shoes approach the cash register at that exact time. Seconds after she approaches the counter, a male can be seen standing directly next to her and waits for her to make her purchase.

He appeared to be a white male, black beanie, blue puffer jacket, and black pants with a white stripe down the side. In the footage it appeared the female used different cards but was not confirmed. She kept on taking the card out of the reader and re inserting it.

At approximately 09:54 hours the manger stated she believes, the female in the video was trying to get cash back out of the card but refused once it asked her to enter the card pin.

The male and female left the store and walked to the south side and got into the same pickup truck that was caught at the Kum & Go on east 26th street. The female entered the rear seat on the passenger side and the male sat in the rear seat on the diver side.

The Kum & Go manager was able to pull up the outside, southeast camera that the pickup truck happened to be directly in front of.

Reviewing the camera footage, I was able to confirm the pickup truck was indeed a Ford and it was occupied by four people.

The pickup truck began backing out of their parking spot and left Kum & Go property at approximately 04:59 hours. The cameras caught the vehicle going north bound towards the Rifle River bridge.

At approximately 11:37 hours, I conducted another follow up at the City Market. I spoke with the general manager, Jason. I informed him of what has happened and that the suspect attempted to use a fraudulent credit card at approximately 17:20 hours on February 20th, 2024. I informed him of the last four digits of the card number and the amount that was rejected.

Jason advised me he would reach out to the departments IT personnel and request they go over the footage to attempt and find a description of the suspect. Jason stated he would reach out to my work phone number directly or he would call dispatch for any more information.

Approximately ten minutes after I cleared from City Market, I responded to another vehicle trespass that was reported in the same area. The apartment complex was [REDACTED]. The reporting party was a Molly Rhinaman (DOB 08/11/2005).

Molly stated she went out to her car approximately 10 to 20 minutes before she called 911 to report the trespass. She noticed her driver side door was not closed all the way. She also observed her glove box to be open and all her vehicle documents to be thrown and scattered inside the car.

Molly began looking for her wallet that she left in the glove box the night before. Molly informed me she had an [REDACTED] Visa debit card, her Colorado driver's license and an old gift card from Old Navy that still had \$25.00 on it. She was not able to find it.

I asked Molly if she has observed any transaction that she did not initiate. Molly stated she did. Her card was charged on 02/21/2024 at approximately 01:28 hours for total amount of \$51.19 at the McDonalds in Parachute.

Mollys and her mother called the bank and began locking all her accounts just in case the trespasser attempt to use them again. I asked for Molly's consent to take a picture of the fraudulent transaction. Molly allowed me to take a picture of the charge processed at McDonalds.

I showed Molly and her mom the picture of the Ford pickup and asked if they were able to identify it or knew who could have possibly been driving. Molly stated she did not, and it could be anyone.

Like I told Roscely, if they get any more attempted transaction, please let me know and I will also be in touch with them if I got any new information.

I began taking pictures of Molly's vehicle. I asked Molly if she observed any damage to her door or glove box. Molly state there was no damage. I also did not observe any visible damage. I left

Molly and her mom with my business card and went to assist my partner with another vehicle trespass that happened about 100 yards west of where Molly's car was parked.

Shaya Lavae Ely (DOB 11/07/1991), owns a red, 2015 Chevy Cruz bearing license plate ECNI27. I learned from my partner's body worn camera that Shaya had her vehicle broken into the night before, 02/21/2024.

The trespasser broke into her glove box and caused damage to the right hinge, making it difficult to close entirely.

You can see me explaining to Shaya that there had been two other people before her that also had their vehicles broken into. Shaya informed me that she had three different cards that were stolen from her vehicle and the first was used on Monday night at approximately 03:20 hours but the card payment was processed at 10:50 hours.

Shaya did some of her own investigation and contacted the Kum & Go on east 26th street. The manager informed her that her mother's card, ending [REDACTED] was processed at approximately 03:29 hours for the purchase of a red bull. Her mom was not able to see the transaction on her personal device since she ordered a new card and was not able to go back through old accounts.

Shaya had her wallet containing \$75.00 in cash stolen, as well as two of her personal Venmo debit cards and her Colorado driver's license.

Shaya was informed by the manager that all the attempted transactions were rejected. Shaya also stated there was nothing in her car that they took that she needed back. Officers took Shaya's report and cleared the scene.

I drove back to the Rifle Police Department to get back in contact with Brent from Love's. I asked Brent if he had had any luck in attempting to find video footage of the person that used Roscelly's debit card. Brent advised he was not able to find the footage at the time that I provided for him.

I remembered that both Kum & Go locations in Rifle either had the time frame off by an hour ahead or behind. I asked Brent if he could possibly try finding footage of that card number being used either an hour before or ahead of the time, I provided for him.

Brent stated he would give it a look and he would give me another call back on my work phone if he found anything.

Brent called me back shortly after and told me he had found store recorded video footage of the person that used Roscelly's debit card. I asked Brent if it would be okay if I stopped by his store and reviewed the video footage with him. Brent stated it was okay that I came in and I can take pictures and video footage on my phone.

Brent began showing me the footage he found. He started it right when the transaction was made. It can be seen on video, a group of what appeared to be mid teen juveniles gathered around the register. The same described male that was seen with the female at the Taughenbaugh Kum N Go, was the one that made the purchase of \$19.85. I was able to better identify the male. He was wearing a blue zip up, puffer jacket, a red shirt underneath with black line designs and a black beanie with a white logo on the front.

While he was checking out, using Roscely's debit card, there was another male on his right, wearing a gray hoodie that read the words "GRIT GLORY" on the front. There were also two females on his left. Their faces cannot be seen, but one appeared to be wearing green and black checkered pants, and a black shirt. The other female was wearing what appeared to be a gray sports bra with pants, showing a black and white design.

When the male was done paying, all four of them began to walk out of the store. When the male in the gray hoodie turned around, the back of the hoodie read "Shooters Grill", with what appeared to look like one revolver on each side of the title and small lettering at the bottom.

Tyler's mother, Lauren Boebert, used to be the owner of the Shooters Grill restaurant here in Rifle, Colorado, hence why the gray hoodie would read out "Shooters Grill" on the back. Tyler was also wearing long, black, Under Armor pants.

Tyler and his friends walked around the store and gathered the goods they purchased with Roscelly's debit card. They all walked out and entered the same Ford-F250, that was captured on the Taughenbaugh Kum & Go camera.

Tyler can be seen getting in the driver seat, the female with the backwards hat entered the front passenger seat, the female with the gray shirt and the male with the black beanie got in the passenger side rear seat. They stayed parked for a while before finally reversing out and drove away.

Using Love's camera, I was able to get a better color description of the Ford-F250. It appeared to have a dark paint, possibly blue or gray.

The Ford-F250 drove away at approximately 05:10 hours.

I cleared of Love's and got in contact with Rifle's school resource Officer, J. Allison. I wanted to know if he was able to identify the other three or has ever contacted them. Officer Allison was not able to identify them but referred me to Rifle High School Principal, K. Michelson.

I conducted a follow-up at Rifle High School where I met with Mr. Michelson. I showed him the picture I took of the male with the black beanie, and red shirt. Mr. Michelson took a good look at the male and was able to provide me a possible name of who it could be.

I advised her of the case I was working on and asked if by chance I could meet with her later in the day when she is off work. Angela agreed to meet me at her address at 17:00 hours.

While I was waiting for the time to meet with Angela, Dispatch advised Rifle cars of another vehicle trespass that had occurred at the [REDACTED] The reporting party was Cauy Walls (02/27/2001). Cauy was calling in on behalf of his girlfriend, Desirae Danielson (DOB 02/21/2000) who had her car broken into the night before.

Cauy stated he had received an email from the apartment manager, letting tenants know that they had had a lot of break-ins. Cauy noticed someone broke into his girlfriend car earlier that morning and that was when he decided to report it to the police.

Cauy stated all they took was approximately \$2.00 worth of change.

Desirae drives a red 2016, Ford Escape. Cauy was not able to provide vehicle registration to identify the car.

I continued to show [REDACTED] the picture of the truck that was being driven around. I did not tell [REDACTED] what the make or model of truck was but simply asked if the truck looked familiar. [REDACTED] looked at the truck and confirmed it was Tyler's truck. I asked [REDACTED] if [REDACTED] was confident in confirming the truck Tyler was driving was a Dodge.

[REDACTED] began questioning [REDACTED] and asked me if it was a Dodge. I did not tell [REDACTED] what the truck was. Towards the end of my conversation with [REDACTED] I asked [REDACTED] if [REDACTED] was 100% confident of the people [REDACTED] identified in the video were Tyler, [REDACTED] [REDACTED] stated [REDACTED] was confident.

I cleared [REDACTED] home at approximately 18:06 hours, and made my way over to [REDACTED] [REDACTED] to meet with Cody. At approximately 18:11 hours, I arrived at Cody's residence and contacted him outside his door.

I confirmed with Cody if he was the father of [REDACTED] Cody stated he was. I asked Cody if I would be available to interview [REDACTED] with him being present. Cody advised me that [REDACTED] was not home and was currently at [REDACTED]

With [REDACTED] not being there, I began explaining the case I was working on with Cody. I advised him right now nobody was in trouble but the charges being pushed are very serious. I asked Cody if he knew the direction or address to [REDACTED] house. Cody did not know from the top of his head but was attempting to pull up a previous contact with [REDACTED] where [REDACTED] sent him the coordinates through Google maps.

Cody was able to show me where [REDACTED] lived. From the coordinates that Cody provided, it showed [REDACTED] was at [REDACTED] Rifle, Colorado. After I received [REDACTED] address, I asked Cody if he had full access into [REDACTED] room. Cody informed me that [REDACTED] does not have a bedroom because he sleeps on a mattress in the living room.

I asked if he could show me inside and I could possibly recognize some clothing. Cody invited me inside his residence where [REDACTED] bed can be seen on the floor. I showed a picture to Cody of Tyler and [REDACTED]. I asked him if he was able to recognize them. Cody stated he could identify them. But then after watching the video he asked if it was [REDACTED] who walked in the store. I told Cody I did not know.

Cody offered to show me the dirty clothes piled up he had in his own bedroom. I accepted his offer and began digging through the clothes with Cody. Cody pulled out a red shirt that belonged to [REDACTED] and looked to match the one [REDACTED] was wearing when [REDACTED] walked inside the store. Below is the picture I took of Love's video footage and the shirt I found in [REDACTED] dirty clothes pile.

After taking the pictures, Cody and I walked back out to the kitchen area where I asked him if he would be willing to let me speak with [REDACTED] voluntarily, on 02/26/2024. Cody advised me he will have [REDACTED] there and to give him a call the day off to schedule a time.

I left Cody with my name and advised him I would be giving him a follow up phone call the following Monday on 02/26/2024.

On February 26th, 2024, at approximately 10:10 hours, I got in contact with Shaya. I wanted to follow up with her and get the exact amount that was stolen from her car. Shaya stated she was

home, and she would be willing to talk to me in person. She also informed me that whoever stole her driver's license returned it to her through the mail.

Whoever sent it back wrote a letter saying, "Found Loose in Mail". The paper they wrote it on was from Aspen Real Estate Company.

I began making my way over to Shaya's residence. Upon arrival, at approximately 10:17 hours Shaya met me outside and handed the letter. I did observe the letter to have all of Shaya's information but no sender address. I began reading the letter out loud and Shaya stated it was not true that her ID was loose mail because it was in her car.

I continued by asking Shaya if she could refresh my mind on everything that was stolen from her car. Shaya informed me directly that her wallet was stolen.

Inside her wallet she had two Venmo debit cards that had her name listed on them, she had her mother's credit card that had her mom's name listed on it, she had \$75.00 in cash, and last she had her Id that did get taken but returned through mail.

Shaya informed me her glove box was opened and all her papers were scattered around. When it was rummaged through, they broke the right hinge. Shaya stated she wasn't very worried about the damage since she bought the car not in the best condition.

I asked Shaya if I could keep the envelope that her Id was returned in. Shaya told me to keep it and simply wants to find whoever stole her cards and cash.

Shaya expressed she wants the people who did this to her found, because she literally has nothing and everything, she had left to her name was the \$75.00 in cash, and the money left in her card.

Shaya expressed it makes her feel like [REDACTED] Shaya informed me she has a brain tumor and now she does not have the money to get her surgery and she will have to go through the process of getting new cards.

I asked Shaya if she was able to provide proof of attempted or completed transactions since the theft. Shaya advised on her Venmo account, they tried to get cash from her card. She showed me an attempted transaction of \$175.00 at the Kum & Go On east 26th street.

Like I said in the beginning, Shaya did her own investigation and spoke with the manager from Kum & Go. The manager advised her she could not find the transaction of \$175.00 but did find a transaction made from her mom's debit card for \$5.00. The \$5.00 purchase was for the red bull I wrote about earlier.

I believe the transaction of \$175.00 probably did not go through, based off a statement the manager from the Taughenbaugh Kum & Go notified me about. She advised me that their Kum & Go system will not be available to find a transaction if the card was rejected.

Shaya did provide me visual proof of the transaction attempted from her card. Shaya was not available to show proof of the transaction made off her mom's card, Tamra Sue Ely (DOB 10/24/1959). I provided Shaya my work phone number and advised her to send me a screenshot of the transaction that was made from her mom's card when she can get in contact with her mom.

At approximately 10:40 hours, Shaya sent me a text message through the number I provided her. The transaction was more than \$5.00 and was \$50.00. the transaction was declined. At the very bottom of the picture, it says it was used on 02/19/2024 at 21:54 hours Pacific Standard Time.

Compared to Mountain Central Time, that means the transaction would have been made on 02/19/2024 22:54 hours, which would line up to the time Roscely's vehicle was also trespassed.

On that same picture it also shows the Kum & go store that the card was used at. It read 'KUM&GO 0922R RIFLE'. I contacted the Kum N Go on 120 East 26th Street and asked what their store location was. The employee advised me it use to be 0922 but just recently changed to 5012 because the Kum & Go's are turning into Mavericks.

At approximately 13:18 hours met again with Cody at [REDACTED] Cody invited me into his residence and beside him was [REDACTED]

I Greeted [REDACTED] and advised [REDACTED] of the case I was working. I advised [REDACTED] that as of that moment [REDACTED] was not in any trouble but could potentially help me out with identifying suspects. I did advise [REDACTED] to not be nervous because [REDACTED] was not under arrest or detained. I also informed [REDACTED] had the right to ask me to leave [REDACTED] residence at any time.

[REDACTED] state [REDACTED] would never tell me to leave his house. We sat down and I began making small talk with [REDACTED] On my left, at the head of the dining table sat [REDACTED] directly across from me sat [REDACTED] dad, Cody.

Without me asking any questions, [REDACTED] began telling me he was aware of the situation, and [REDACTED] wanted to be as honest as [REDACTED] could with me. [REDACTED] and I began talking about [REDACTED] personal life and I got to get to know [REDACTED] a little bit more.

Throughout the investigation [REDACTED] informed me [REDACTED] has been trying to get into job core and has been having a difficult time with it. [REDACTED] also stated [REDACTED] has a [REDACTED] that [REDACTED] likes to spend a lot of time with. [REDACTED] and [REDACTED] have been together for 2 months.

I was about to get into more detailed question and decide to advise [REDACTED] of his Miranda right at approximately 13:31 hours.

It should be known that [REDACTED] was not detained or placed under arrest. [REDACTED] dad was also there. [REDACTED] was still free to do what [REDACTED] wanted. I asked [REDACTED] what [REDACTED] was

doing and where [REDACTED] was at the night of the 02/19/2024, into 02/20/2024. [REDACTED] stated [REDACTED] was with [REDACTED] in parachute when they were picked up by another friend.

[REDACTED] claims [REDACTED] did not want to go with the other friend because [REDACTED] simply wanted to be with [REDACTED]. [REDACTED] stated [REDACTED] felt forced because [REDACTED] wanted to go, and [REDACTED] couldn't leave [REDACTED] behind.

[REDACTED] informed me that [REDACTED] friend did begin trespassing into cars but [REDACTED] stayed back because they did not want to get involved.

[REDACTED] brought up that they all went to the Love's gas station and got snacks. When they were about to check out [REDACTED] stated nobody wanted to use the stolen card and they handed it to [REDACTED] to pay. The card that was used was Roscelly's.

They then left the store and [REDACTED] were dropped back off at [REDACTED] house. I asked [REDACTED] if [REDACTED] was ever in rifle that night. [REDACTED] stated [REDACTED] never went to Rifle and was with [REDACTED] in parachute the entire night.

I asked [REDACTED] if [REDACTED] could possibly help me identify the suspects in the video I recorded from Love's. [REDACTED] said [REDACTED] would give it a look.

I began playing the video and watched it and replayed it quite a few times. Eventually [REDACTED] stated the first [REDACTED] that walked in the store was [REDACTED] and the second [REDACTED] was [REDACTED].

As soon as the video got to the part where Tyler walked and with the other [REDACTED] who from what I learned and [REDACTED] identify to be [REDACTED] got quiet and stated they did not look familiar.

I asked [REDACTED] if [REDACTED] wanted to take a break from reviewing the video, to where [REDACTED] said yes. I put my phone down and advised [REDACTED] of the charges the people in the video are facing. [REDACTED] acknowledged the charges. I asked [REDACTED] if [REDACTED] wanted to review it again. [REDACTED] said yes. I began replaying the video and [REDACTED] mumbled under [REDACTED] breath that it was [REDACTED] that walked in with the red shirt. I asked who the first [REDACTED] with the grit and glory hoodie was. [REDACTED] stated it was Tyler.

I told [REDACTED] was still not under arrest or detained. I advised [REDACTED] I will continue the investigation and [REDACTED] would be hearing from me soon.

On February 27th, 2024, at approximately 12:30 hours, I contacted Tyler via phone call. I advised Tyler who I was and that I would like to speak with him regarding a case was working.

I asked Tyler if he would be willing to meet with me so we can talk and if so if he could come down to the police Department. Tyler stated he would be willing to speak with me, but he did not have a current vehicle and had no way of making it to the Police Department.

I asked Tyler if it would be okay if I could make meet him at his house. Tyler said it was okay and provided me the address of [REDACTED] I asked Tyler what a good time would be to meet.

Tyler asked if I could come by in an hour, which would be approximately 13:30. I advised Tyler I would be there around 13:30.

At approximately 13:29 hours I contacted Tyler again. I confirmed with him if he was still okay with me coming over to speak with him. Tyler stated it was okay and he would be expecting me.

At approximately 14:15 hours. Myself and a Rifle Police investigator arrived at the address that Tyler provided. Tyler walked out of the house and met me halfway from his house and the driveway.

Tyler requested if we could speak outside. I advised him that was okay. At that point Tyler was under arrest nor being detained. Tyler made the decision to meet with me at his own will. I advised Tyler of his Mirand Rights at approximately 14:18. I did advise him he could exercise his right at any moment throughout our conversation. I made sure he understood his right. Tyler stated he understood his rights. I asked Tyler with his rights in mind if he wanted to still speak with me.

Tyler stated he would still speak with me. I asked Tyler where he was the night of 02/19/2024 through 02/20/2024. Tyler stated he could not remember clearly.

I asked him if he was out with friends. Tyler stated he was with friends and has been hanging out with friends since he just got back from Windsor, where he is currently living.

I asked Tyler with how many friends he was with those nights. Tyler stated he hung out with about 15 friends. Tyler was not able to identify his friends because he claims he simply did not know their names.

I asked Tyler if I gave him a more specific time within those two nights if he would be able to remember better. Tyler stated yes. I provided the time from 22:00 hours on the 19th to 05:00 hours on the 20th.

Tyler stated he was home and his friend [REDACTED] asked him to pick [REDACTED] and [REDACTED] up at Deerfield Park. Tyler stated he picked them up and then picked up another friend. I asked if the other friend he picked up was [REDACTED] Tyler stated it was and he picked [REDACTED] up somewhere in north Rifle at a townhouse, by west 24th street.

It should be known when I asked Tyler if he knew any of his friend names, he stated he did not but when I brought them up he confirmed they were with him.
