Hello Ben,

The team was able to run a search with your search terms, and it returned over 18,000 items. A formal review of these documents is estimated to take 312 hours to review. The fee will be 311 hours at $30.00 per hour or $9,330.00. Please let me know if you would like to proceed as is, or if you would like to revise your search terms, using specific keywords and/or email addresses, to narrow the scope.

We will begin the process upon receipt of your payment. Please make payment to:
